Stability and Performance

Secure and rapid document sharing even remotely

Share documents remotely with ease

RICOH M 320FB offer a host of features that allow you to share documents quickly in digital format. Simply use the 35-sheet Automatic Reversing Document Feeder (ARDF) to scan that full-colour presentation to your colleagues for review in an instant using any of the multiple Scan-to capabilities, including Scan-to-Email, FTP, Folder, USB drive and more.

Stay productive even when away from the office

Simply download the RICOH Smart Device Connector app to your smartphone or tablet to access and share information. Send print jobs directly to your Ricoh printer from your personal mobile device for fast, convenient mobile printing via Mopria® or AirPrint®. You can also pair your Android® device via the Near Field Communications (NFC) tag on printer once you are back in the office to authenticate and transfer information and print your documents.

Security is in our DNA

Keep your information secure as you transfer and print confidential documents with the robust security layers Ricoh has put in place. Use the Locked Print function to protect documents from unauthorised viewing and have peace of mind knowing that network encryption ensures secure digital data transmission.
